TIME TO CHARGE! (CONT.)

Battery Level Indicators

When Amnis Stream is powered on you will receive a verbal cue of "Low Battery", "Battery Half Charged", or "Battery Charged".

Verbal cue of "Low Battery" will occur every 2 minutes when 15 minutes of playtimes remains.

5 SETTING UP YOUR SMARTWATCH

Download your preferred music or podcast app onto your smartwatch. The app must offer "offline listening" of the ability to download files.

- **Tip:** This is the same process you use for listening during "airplane mode".

Refer to the music or podcast app's guidelines on how to setup offline music on your smartwatch.

6 PAIRING YOUR SMARTWATCH TO AMNIS STREAM

1. Power Amnis Stream on: Verbal Cue ➔ "Ready to Pair" and the BLUE light will flash rapidly.
2. On your Smartwatch: Navigate to the Bluetooth® Settings menu.
3. Select "FINIS Stream" to connect:
Verbal Cue ➔ "Device Connected" and a solid BLUE Light will appear.

7 HOW TO WEAR

Attaching Headphones to Goggles

1. Put your goggles on.
2. Slip each Headphone under your goggle strap, be sure to match up the L (left) and R (right) indicators.
3. Headphones should be placed in front of your ears, so they are resting on your temple bones (not over your ears).
4. **Optional:** For a more secure fit, add the Goggle Clips to each headphone by matching up the logos.
 - **Tip:** If you consistently use the Goggle Clip, It's easier to attach Amnis Stream to your goggles prior to putting them on.

Attaching Smartwatch to Goggles

Your smartwatch must be within 5cm of the cord in order for the Bluetooth® connection to pass through the water. The best placement for your watch is on the crown of your head (the back of your top goggle strap).

HOW TO WEAR (CONT.)

We included Watch Clips for some of the most popular smartwatches including:

Apple Watches

Series 3 (38mm, 42mm)
Series 4 (38mm, 42mm)

Garmin Watches

Fenix 5 Plus Series
Forerunner 645 Music
Vivoactive 3 Music

Tip: If you don't want to use the watch clip of if you have a different watch, don't worry! Take your watch strap off and easily slip the watch beneath your swim cap.

Do not wear your smartwatch on your wrist. The Bluetooth® connection cannot travel that far through the water.

8 ENJOY THE MAGIC OF SWIMMING WITH ENTERTAINMENT

- Bliss out underwater
- Rock to your favorite playlist
- Kick into high gear with the right beats
- Drift away into a podcast or audiobook
